

## BACK IS BROKEN IN A 40-FOOT FALL

George Vulcher, Rock Island Painter, Is Probably Fatally Injured.

### ACCIDENT IN DAVENPORT

Victim Native of Germany, 35 Years of Age and Had Been Here But Eight Months.

George Vulcher, a painter who resides at 2819 Ninth avenue, is lying at St. Anthony's hospital with a broken back, as the result of falling 40 feet from a scaffold while at work yesterday afternoon in Davenport.

Vulcher was working on a scaffold at the home of Dr. J. B. Palmer, 808 Brady street, at the time of the accident. He was painting on the second story of the house, when, suddenly losing his balance and plunged into space, alighting on neck and shoulders on the ground below. The unfortunate man's back was broken just below the shoulder blades and in addition he sustained internal injuries. The injured man was rushed to St. Anthony's hospital.

**Wind Possible Cause.**  
The exact cause of the accident is unknown, but it is believed that a sudden gust of wind caused him to lose his balance. The physician in attendance states that his chances for recovery are slight.

Vulcher has been in this country but eight months, coming here from Germany. He is 35 years old.

**Black Hawk on First Trip.**  
The steamboat Black Hawk of the White Collar line left Rock Island yesterday afternoon late on its initial trip to Burlington, where connections will be made with the Keokuk, which runs from Burlington to Quincy. The Black Hawk will return here Friday.

## DORMITORY FOR WORKING GIRLS

Davenport W. C. U. Fitting Up a Home Large Enough to House 20 Women.

Poor girls and working girls of Davenport are to be given cheap boarding and rooming facilities through the efforts of the Woman's Christian Temperance Union, which has secured possession of the old T. W. McClelland home, 121 East Sixth street, one of the landmarks of Davenport, and will turn it into a working girls' dormitory.

The W. C. T. U. has secured possession of the property with a year lease including an option to purchase at \$7,000. The building, a three-story brick structure, will undergo extensive remodeling and will be ready for occupation by May 1.

Dormitories sufficient to house nearly a score of girls will be provided on the third floor, rest rooms and dining rooms to be installed on the two lower floors. As the property is situated near the downtown section it is regarded as having an ideal location for a working girls' home.

Some time ago the W. C. T. U. and the Lend-a-Hand were considering the establishment of such a home as is now planned but the proposition fell through. The Lend-a-Hand maintains rest rooms but no dormitories.

A. regatta to Rock Island in 1915 will be discussed.

## Notes of the Campaign

**THE RIGHT TOWN TICKET.**  
If you want your town affairs administered faithfully and satisfactorily these are the men to vote for. They are the candidates on the democratic ticket:

For supervisor—William Trefz.  
For assistant supervisors—W. C. Peck, John F. Dindinger, Albert C. Schmidt, Addison Rush.  
For assessor—S. A. LaVanday.  
For collector—Henry R. Wynes.  
For town clerk—George W. Cox.  
For constable—Herman Sturm.

Rock Island has never had a more efficient, safe, sane and trustworthy supervisor than William Trefz. The people mean to keep him in the office for another term.

The voters desire to see a change in the political complexion of the county board. They know that this is the only way to get a better system of purchasing supplies and a number of other much-needed reforms. They are going to support the democratic nominees for assistant supervisors—John F. Dindinger, W. C. Peck, Addison Rush and Albert C. Schmidt.

George W. Cox for town clerk will be on the job all the time. He knows what the duties of the office are and is prepared to properly discharge them. Elect him.

A better man for assessor of Rock Island township could not be found than the democrats have chosen for their nominee. S. A. LaVanday has had long experience in the judging of property values and if elected his work will be past criticism.

Henry R. Wynes—well, you all know "Shorty." He has been a collector for more than a score of years, and while it has been as a collector for the Tri-City Railway company, the length of his term of service vouches for his honesty. In this period the popularity he has won with the general public insures his election as township collector April 7.

Rock Island needs at least one more constable who will qualify and attend to his duties. Often now justice court procedure is seriously delayed by lack of an officer to serve papers. Elect Herman Sturm, the democratic nominee, and the need will be supplied.
